To assist grant applicants with project timeline planning

The following schedule is offered in order to allow applicants to reasonably plan project timelines for potential grant applications. Applications are accepted once a year. Applications that are selected for funding may receive awards for funding in the current or a future state fiscal year. Missing or inaccurate application information may delay a grant request into the next selection review cycle. For further details, contact Matt Wiitala at 517-241-2152 or wiitalam@michigan.gov
